Classical Ballet Academy

This is a brand new exciting programme for those passionate about classical ballet, commencing in SEPT 2010.

The aim of the course will be to provide high quality extra training to those who show particular potential in the classical ballet genre. It should be viewed as a technique enhancement programme to be undertaken in partnership with a regular local teacher.

There will be 6 Sunday dates each term comprising of specialised non-syllabus ballet classes of an hour and a half. We will be auditioning in the first instance to recruit 2 junior groups age 8 - 11, and 2 senior groups age 11 - 15 for those Pre-Inter and above.

Some extra pointework classes will be available to the senior groups three times a term and other possibilities will filter in as the course evolves. (Conditioning and Stretching, Contemporary Dance, Repertoire etc).

We hope that the Sunday arrangement will reduce any clashes with Saturday dance activities and enable those who live further afield to travel more easily.

Auditions will be held on SUNDAY 23rd MAY and the estimated cost per term will be £75.

Any queries please contact Christine Reynolds - Outreach Co-ordinator by email christine.reynolds@tringpark.com or telephone 01442 821 657.
