1. Background Information

About the school

- 1.1 Tring Park School for the Performing Arts is one of nine specialist schools which are supported by the Department for Education under its Music and Dance Scheme. It is a co-educational day and boarding school. Pupils are admitted on the basis of their talent in dance, drama, musical theatre or music. The school is owned and governed by the AES (Arts Educational School) Tring Park School Trust. The school is structured into four sections: Preparatory for Years 4 to 6 who are taught together, Junior for Years 7 to 9, Middle for Years 10 to 11 and Senior for Years 12 to 14. Since the previous inspection, the school has reorganised the boarding into three boarding houses with pupils accommodated according to age and gender. In 2019 Elizabeth House opened, a new building consisting of a boarding house and five teaching spaces.
- 1.2 During the period March to August 2020, the whole school remained open for children of key workers, and the school provided remote learning materials for all pupils. No boarders remained on site.
- 1.3 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on-site to reduce contact within the school setting.
- 1.4 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.5 During the lockdown period of January to March 2021, all pupils other than the children of key workers or vulnerable pupils received remote learning provision at home, or with guardians in the case of overseas boarders.
- 1.6 In 2020 and 2021, public examinations were not held. For pupils who would have been expected to take these examinations, centre-assessed grades were awarded.

What the school seeks to do

- 1.7 The school aims to provide a curriculum which combines vocational training with academic study so that each pupil is encouraged to reach their full potential both artistically and academically. It seeks to create an energetic, stimulating and supportive culture which demands dedication and commitment from pupils as they grow into fully rounded individuals and performers. The school aims to give pupils the best possible chance in their future careers.

About the pupils

- 1.8 Day pupils come from within Hertfordshire and the surrounding area, while boarders come from across the United Kingdom and from a range of countries around the world. The school does not use standardised tests for pupils in the preparatory school, but its own data indicates that pupils are of average ability. Nationally standardised data provided by the school indicates that the ability of pupils in Years 7 to 11 is average and that of pupils in the sixth form broadly average. All pupils are identified as having a special talent in dance, music, drama or musical theatre. The school has identified 126 pupils as having special educational needs or disabilities (SEND), which include dyslexia or specific learning difficulties. Specialist support is provided within the school for 25 of these pupils and also for 14 pupils who have English as an additional language (EAL). There is one pupil with an educational or health care (EHC) plan.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014, including the National Minimum Standards for Boarding ('boarding NMS'), where applicable. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards, including the boarding NMS. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#), [National Minimum Standards for Boarding Schools](#).

COVID-19: Inspection judgements do not cover the period March to August 2020 inclusive.

Key findings

- 2.1 The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014, the National Minimum Standards for Boarding Schools 2015 and associated requirements and no further action is required as a result of this inspection.**

PART 1 – Quality of education provided

- 2.2 In the preparatory school, the school's own framework for assessment confirms that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.3 At GCSE in the years 2018 to 2020, performance has confirmed that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.4 In the sixth form, A-level results in the years 2018 to 2020 have confirmed that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.5 The curriculum is documented, supported by appropriate plans and schemes of work for the pupils and covers the required breadth of material. The teaching enables pupils to make good progress, encompasses effective behaviour management and is supported by suitable resources. A suitable framework for the assessment of pupils' performance is in place.
- 2.6 Pupils receive relationships education in the prep school and relationships and sex education in the senior school, except in so far as they are lawfully excused. PART 2 – Spiritual, moral, social and cultural development of pupils

- 2.8 Principles and values are actively promoted which facilitate the personal development of pupils as responsible, tolerant, law-abiding citizens. PART 6 – Provision of information

This includes details about the proprietor, the ethos of the school and the curriculum, and of the school's arrangements for admission, behaviour and exclusions, bullying, health and safety, first aid, details of the complaints procedure, and the number of complaints registered under the formal procedure during the preceding school year, and the provision for any with education, health and care plans or English as an additional language. The safeguarding policy is posted on the school's website. A suitable statement of boarding principles and practice is published by the school.

2.17 The standard relating to the provision of information [paragraph 32] and NMS 1 are met.

PART 7 – Manner in which complaints are handled

2.18 Parental complaints, if any, are handled effectively through a three-stage process, (informal, formal and a hearing before a panel of three, one of whom is independent of the school). Each stage has clear time scales, and at the third stage the panel can make findings and recommendations which are communicated to the complainant. Records are kept appropriately, including of any action taken, whether or not a complaint is successful, and identifying those relating to the boarding provision.

They held discussions with members of staff and with the chair of governors, and attended assemblies. Inspectors visited boarding houses and the learning support and educational resource areas. The responses of parents, staff and pupils to pre-inspection questionnaires were analysed, and the inspectors examined curriculum and other documentation made available by the school.
