Spring is in the air - and what better way to mark it than with the Tring Spring Concert which took place on Wednesday and Thursday in the St Peter and St Paul church in Tring. We were treated to a medley of different genres and performances which showcased the musical talents of so many of our pupils across the school. Well done to all involved and what better way to mark the onset of spring!

This week's photo shows the early signs of spring in Tring as the daffodils rapidly started to bloom under the blue skies. At the time of writing, the empty football net you can see is being put to good use as an impromptu and enthusiastic game of football is underway on Back Lawn. The photo is taken from the edge of the old ha-ha. Although the ha-ha almost certainly pre-dates the Rothschilds, it was put to good use by Sir Walter who used it to stop his emus and kangaroos from wandering (or hopping!) too far. The photo is taken just along from the mysterious hump on Back Lawn. Rumour has it that it marks the final resting place of an elephant....

Markova Makeover

We are continuing to raise money for the Markova Makeover through a range of exciting community events.

Krispy Kreme Fridays, our seat-naming initiative, and the upcoming movie night are all helping us move closer to our fundraising goal.

Our very first Krispy Kreme Friday was a huge hit with the pupils, and raised £162 in less than 2 hours! Keep an eye out for the date of the next one.

Tomorrow's *Wicked For Good* Movie Night promises plenty of fun for Preps–Y11 and we wouldn't be surprised if Tring High Street echoes with the sound of the pupils singing along. Please complete the [online form](#) if your child would like to attend, thank you.

A huge thank must go to the Tring Parent Network for their effort, energy, and dedication in bringing these events to life.

When buying tickets to any of our shows, please remember that there's an opportunity to add a donation, every little bit truly helps.

And did you know there's also a tap-to-donate point in the theatre? It's a quick and easy way to support the project while you're here.

Thank you.

Thank
you!

A huge thank you to TPN volunteers Emma, Jill, and Zara for their amazing help this week in wardrobe. It's hugely appreciated.

If you'd like to get involved, stay up to date with upcoming opportunities by keeping an eye on the [TPN Facebook group](#).

Maths Challenge

Four of our pupils, Zara, Henry, Imene and Alison took part in the UKMT Team Maths Challenge.

The Team Maths Challenge promotes mathematical dexterity, teamwork and communication skills. It also gives students the opportunity to compete against students from other schools in their region. The Challenge is for pupils in Year 8 and Year 9, with more than 670 schools competing against each other countywide.

Our team enjoyed the challenge of this day and made us all very proud. We'd like to congratulate them on an excellent performance.

Zara writes:

On Wednesday 4th March we headed off to Haberdasher's girls school for the Team Maths Challenge 2026.

We left school at 8:30 and arrived at the venue an hour later. The nervous excitement was palpable. With 21 schools and 4 rounds (Group match, crossword, shuttle and relay) of 45 minutes each, the competition was tough.

We thoroughly enjoyed the experience and were thrilled to be representing our school.

Did you spot a juggler jogging up and down Tring High Street today? You weren't imagining it!

The "Tring Joggler" is raising money for Red Nose Day by juggling his way through town!

Give him a cheer if you see him, and you can support his efforts via his [JustGiving page](#).
